The Council has received an application as detailed above.

Please let us have your Council's comments within the consultation period, before 26/07/2019. Please note that any comments must relate to material planning considerations relevant to this application.

If you make representations that are contrary to the proposed decision the application will be considered by the Head of Planning, in consultation with the Committee chair & vice chair and Ward Members. This will determine whether the application is referred to the Planning Committee or decided under delegated authority. Please note that representations will not automatically trigger a referral to Committee. This is in accordance with the agreed constitution and scheme of delegation.

The progress of this application and any documentation can be found on the Planning pages on the Council's website:

www.dorsetcouncil.gov.uk/planning.
